Assignment main page:

The screenshot shows a web browser window with two tabs: 'Index of E:\Accolite AU\Day 4\...' and 'Javascript Assignment'. The address bar shows the file path 'E:\Accolite%20AU\Day%204\Morning\js\index.html'. The main content area displays a form titled 'JS Morning Session Assignment' with three sections:

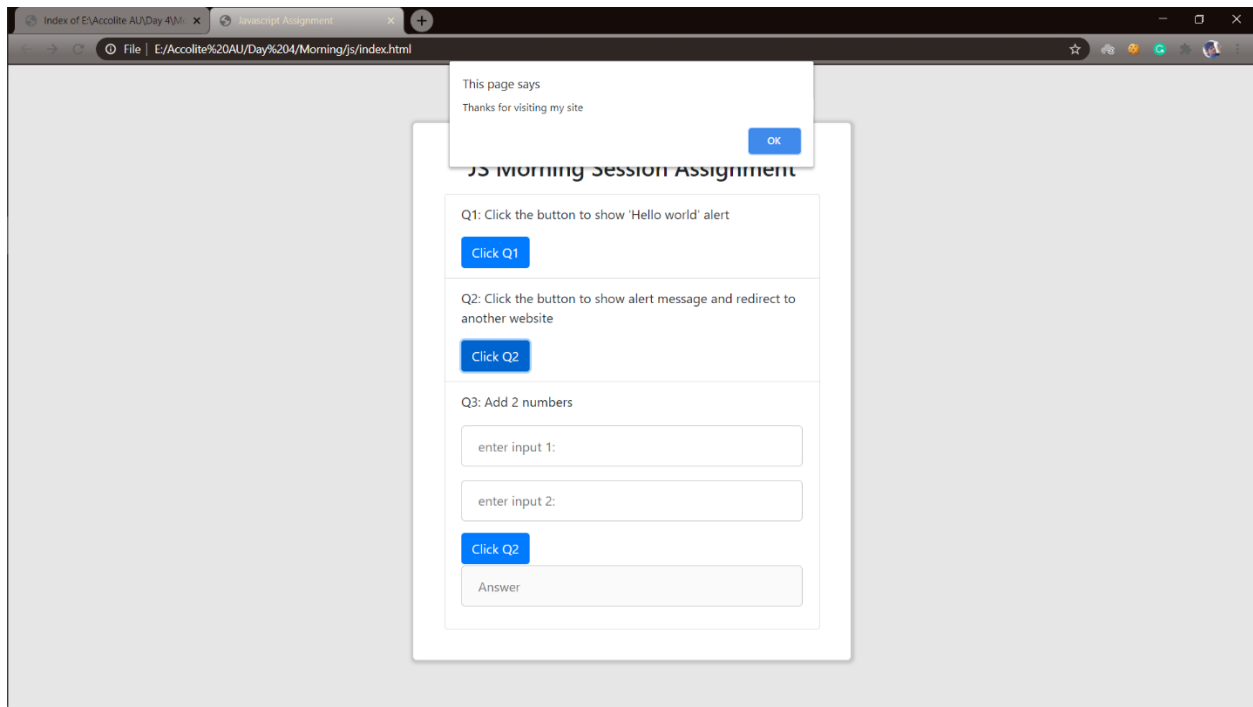

- Q1: Click the button to show 'Hello world' alert**
A blue button labeled 'Click Q1'.
- Q2: Click the button to show alert message and redirect to another website**
A blue button labeled 'Click Q2'.
- Q3: Add 2 numbers**
Two input fields labeled 'enter input 1:' and 'enter input 2:'.
A blue button labeled 'Click Q2' (likely a typo for Q3).
An input field labeled 'Answer'.

Q1: Click button to show 'Hello World' Alert

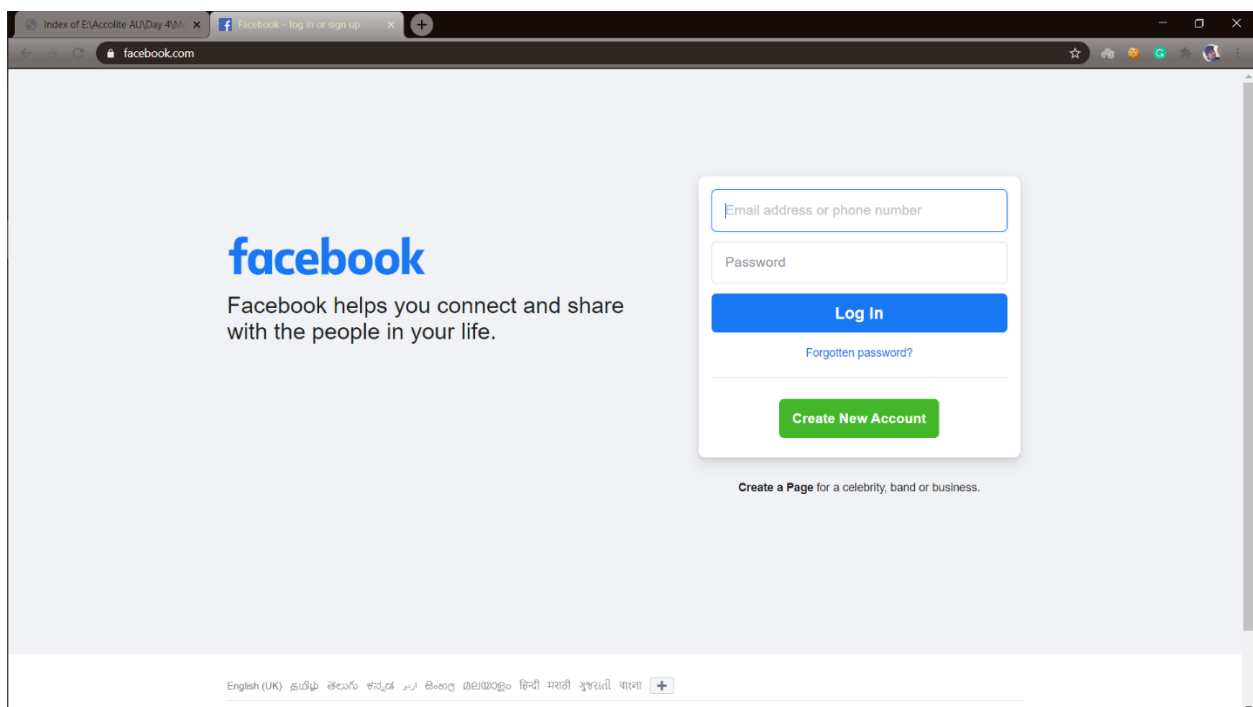

This screenshot shows the same assignment page as the previous one, but with an alert box displayed on top. The alert box has the title 'This page says' and the message 'Hello World', with an 'OK' button. The assignment form is visible behind the alert box.

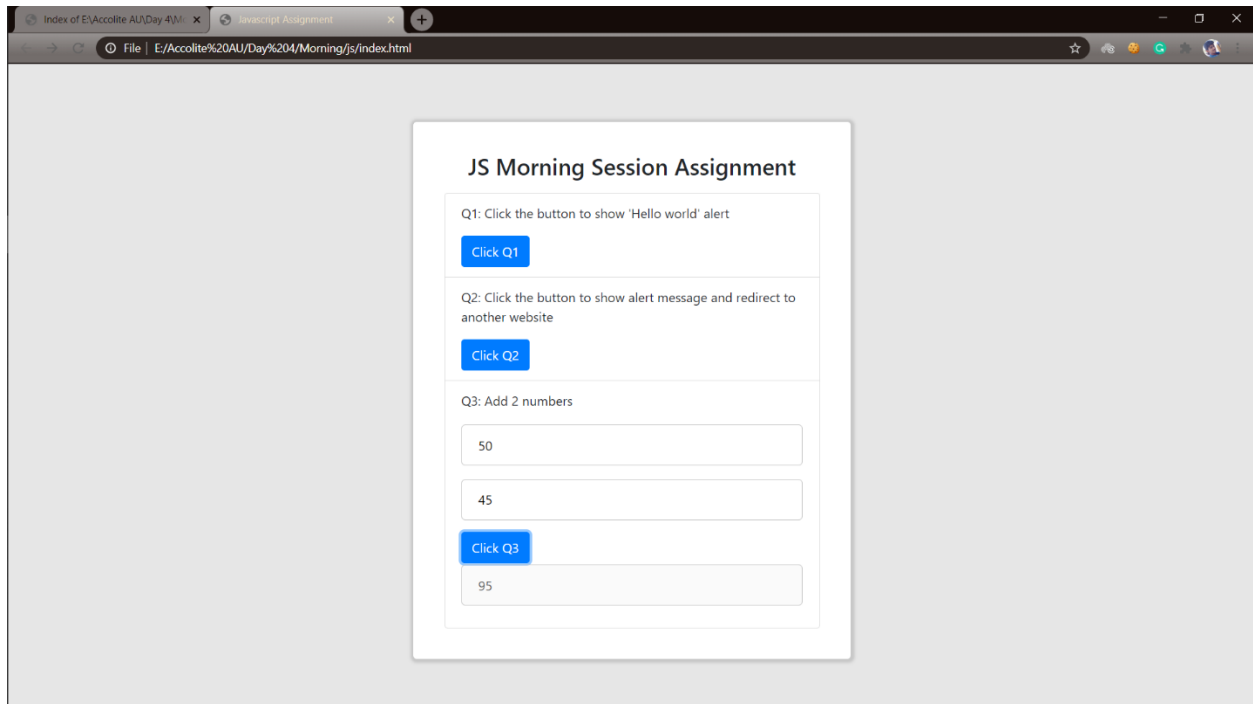

Q2: click the button to show alert and after clicking the ok button in alert, it will redirect to another page

Here I redirect to facebook page

Q3: Give 3 text box and a button, two for input and one for output, by clicking the button get the input values and sum the values and print in third textbox.

The screenshot shows a web browser window with two tabs. The active tab is titled "javascript Assignment" and displays a file path: "File | E:/Accolite%20AU/Day%204/Morning/js/index.html". The browser's address bar shows the same file path. The main content area of the browser displays a form titled "JS Morning Session Assignment".

The form contains three sections:
